

Developing Self, Leading Others Program

A DEEP INSIGHT INTO LEADERSHIP STYLE

Over three intense days, participants will plan how to lead themselves and their teams to remain agile, flexible, progressive and relevant.

WHAT YOU WILL LEARN

Through this highly-effective three-day program, participants will:

- Use feedback from others to review your leadership style and impact
- Improve your ability to effectively communicate and motivate others
- Enhance your ability to build trust and to maintain effective working relationships for better performance
- Consider your strengths and vulnerabilities and take action to close the gap between 'ideal' and 'actual' behaviour
- Be challenged by new ideas and different ways of thinking.
- Turn these insights, and program learnings, into a personal development plan
- Undergo psychometric testing to better understand your leadership style
