## Leadership Victoria Foundation scholarship opportunities

Scholarships or part-scholarships can sometimes become available during the application period.

If you would like to be considered for any potential scholarships and meet at least one of the following criteria, you can express your interest:

- Living with disability
- Member of a Victorian culturally and linguistically diverse community
- Working for a not-for-profit organisation in Victoria with DGR status

To be eligible for a scholarship, applicants must also:

- be an established or high potential leader
- demonstrate how your Williamson experience will shape your community participation

Williamson fees are structured so that there is an organisational and an individual component. The standard organisational component will be covered by the scholarship. Successful applicants will be expected to contribute the individual component (\$2,057 inc. GST).

Selected candidates will be expected to participate in a range of communications activities connected with this scholarship including, but not limited to:

- newsletter and magazine articles
- social media posts
- website stories
- potential media opportunities.

Additionally, they are required to contribute to scholarship progress reporting.

Scholarships are not transferable.

The successful applicant will be asked to commit to full attendance and participation in the program. Applicants should carefully consider the time commitment before applying – a successful applicant who finds they are unable to meet the requirements must forgo the scholarship.

If you have any further questions, please email Leadership Victoria at [info@leadershipvictoria.org](mailto:info@leadershipvictoria.org)
