

2022 Williamson Leadership Program

Interview Questions

1. So, why are you here?
2. Williamson is a unique, immersive year long program designed to transform the way you think about your leadership purpose. It is a program to experience, not consume or be spoon fed. What do you think you will find most challenging with this approach to learning?
3. What strengths and experiences will you contribute to Williamson? What will you give/bring to the group?
4. Williamson is around 23 intensive days and events, plus preparation, plus CLAN work, plus optional additional activities. You need to prepare fully, contribute fully, and commit fully ... including minimum 80% attendance on program days, attending all the retreats and field trips. In this context, what plans have you put in place to ensure that you can meet the time commitment and expectations of Williamson?
5. Selecting you will stop someone else undertaking the program. In what way is that ethical?

Thank you and good luck for your interview!
