

BEYOND

An innovative program for leaders at the peak of their careers, who are contemplating what's next.

Melbourne CBD | 4 x 3 Hour In-Person Sessions + Executive Coaching Session | \$1,200+GST

'Beyond' helps leaders at the peak of their careers to intentionally design their next life phase, explore pathways to continued purpose, and find ways to contribute meaningfully to the community. Designed for those who are, or are planning on, transitioning from full-time work, making a major or late-stage career shift, planning or in retirement, taking a sabbatical, or selling their business. It helps leaders stay engaged and connected while leveraging their portfolio of career-long expertise and networks, and building more.

'BEYOND' IS FOR LEADERS WHO ARE:

- Asking themselves "What's next?" beyond full-time work.
- Seeking intellectual stimulation and challenge in new spaces.
- Wanting to apply their leadership skills in meaningful and impactful ways.
- Keen to connect with a new and diverse network of leaders navigating similar transitions.
