

LEADER EVOLUTION PROGRAM

 Mid-Senior Leaders  3 Days Over 4 Weeks  From \$3,155 + GST

In today's rapidly changing environment, conventional leadership approaches often fall short. The Leader Evolution Program equips mid-to-senior leaders with 5+ years experience with leadership capabilities to navigate uncertainty with confidence and purpose.

Explore adaptive leadership practices, develop the diagnostic skills to identify and address complex challenges that have no easy answers and build a toolkit and mindset you can implement immediately to achieve meaningful impact.

MASTER THE ESSENTIALS OF EFFECTIVE LEADERSHIP

Develop a proactive mindset and leadership toolkit to foster collaboration, navigate uncertainty, and drive meaningful impact. By embracing diverse perspectives and innovative thinking, you'll lead for real outcomes, especially in complex situations with competing priorities.

ADAPTIVE LEADERSHIP

Identify complex challenges, develop dynamic approaches, and lead through uncertainty.

PRACTICAL TOOLKIT

Build a toolkit and mindset you can implement immediately to achieve meaningful impact.

EXPERIMENTAL MINDSET

Design practical experiments that create momentum on your most pressing challenges.

ENERGISE OTHERS

Learn to manage yourself effectively while energising and mobilising others towards shared goals.

NAVIGATE CHANGE

Diagnose and solve strategic and cross-level challenges

EXPERT FACULTY & GUEST SPEAKERS

Facilitated by expert leadership faculty with additional insights from seasoned leaders.

“I feel more clarity about my next steps in my career and how to articulate my leadership capabilities.”

“The tools around listening and workshoping challenges were valuable to managing and navigating more complex problems.”

“The program reshaped my initial intentions - it made me rethink how I approach leadership challenges.”

LEADER EVOLUTION PROGRAM

WHO SHOULD ATTEND?

- Leaders with 5+ years of leadership or management experience
- Leaders wanting to uplift their leadership capability and build new connections
- Leaders who find themselves navigating the complexities of leading up, down and across their organisation
- Leaders responsible for driving change in environments with competing priorities
- Leaders who want to develop a more strategic and adaptive approach to leadership challenges
- Leaders preparing for their next significant leadership role or challenge

The Leader Evolution Program used real life examples from my own work to teach me to get on the balcony and see the bigger picture. The program has better equipped me to take a step back and make the conscious decision to concentrate my efforts on the adaptive challenges. I'm now focussed on the relationships and commitments that will make bigger, systemic change with less time and resources."

Sam Drummond, Senior Policy & Research Officer, Victorian Equal Opportunity and Human Rights Commission

95%

of respondents would recommend the program to a friend or colleague seeking the next step in their leadership.

As stated in post-program feedback conducted throughout 2023–2025, participants from across the public, private and for-purpose sectors responded "likely" or "very likely" to the question, "How likely is it that you would recommend this program to a friend or colleague?"
